

# A PRE-SERVICE TEACHER GUIDE TO UPPING YOUR #DIGPED GAME

**TAKE DIGITAL LITERACY UNITS AS ELECTIVES IN UNI IF THEY ARE NOT INCLUDED IN YOUR COURSE.**

Why not take the opportunity to make your own digital skills current while they're worth credit towards your degree?

**FOLLOW #DIGPED ON TWITTER**

Post your thoughts even if they're not perfect to be a part of the conversation!

**EVALUATE A PREVIOUSLY DESIGNED LESSON PLAN USING [SAMR](#)**

Showing your potential employer that you have evaluative tools to enhance your digital teacher practice will even more be desirable in 2020 and beyond.

**BECOME A [CERTIFIED GOOGLE EDUCATOR](#)**

Even if your school doesn't use it, the skills will be translatable.

You can use Google Classroom in your own classes anyway!

**CONVERT A LESSON PLAN TO DIGITAL FORMAT**

It'll be more work if you're close to graduating, but you will be happy you have something relevant to ERT to discuss at your interview!

**STAY CURRENT WITH AITSL'S RESOURCES**

They're great about producing quality resources directly related to the Standards and current trends in education.

**FIND REMOTE TEACHING EXPERIENCE**

Seek out opportunities to experience remote teaching, zoom sessions, content management etc.

You'll have more pieces of the puzzle when you start teaching.

**BLOG ABOUT YOUR EXPERIENCE**

Share your reflections, they may be helpful to others just like you!
